LETTER OF SUPPORT FROM MAYOR LIANNE DALZIEL, CHRISTCHURCH CITY COUNCIL

The Christchurch Heritage Awards Charitable Trust was initiated and established in 2010 by Dr. Anna Crighton with the express purpose to recognise excellence in heritage in all its forms and to tell the stories so important to us as a community, a city, a province and a culture.

The awards have been held biennially since 2010, with each awards event becoming more impressive in content as entries grew from 24 in 2010 to 75 in 2016. Entries initially came from Christchurch but now encompass Canterbury thus taking on a more significant role in promoting awareness of the importance of heritage in our province since the disastrous earthquakes of 2010 and 2011.

It is my pleasure to endorse the Canterbury Heritage Awards for their focus on the special efforts of those who take on the task of restoring damaged buildings thus conserving Canterbury's legacy from the past.

Kind regards

Lianne Dalziel
